**Ennen hinter Fairtrade-Kleidern
The people behind the Fairtrade clothes**

Einige Unternehmen wie die landwirtschaftliche Genossenschaft Pruthba Yasudha und die Textilfabrik Pruthba Syntex im indischen Bundesstaat Gujarat versuchen, mit Unterstützung der NGO Fairtrade einen anderen Weg zu sehen. Im Fairtrade-System wird den Unternehmen und Kooperativen unter anderem zusätzlich zum Verkaufspreis eine Fairtrade-Prämie ausbezahlt, die bis zu 10% des Verkaufspreises beträgt. Ein demokratisch gewählter Ausschuss entscheidet, in welche sozialen, ökologischen oder ökonomischen Projekte investiert wird. Das Geld dient demnach der Finanzierung von Gemeinschaftsprojekten, z. B. zur Verbesserung des Zugangs zu Bildung, der Gesundheitsversorgung, dem Zugang zu sauberem Wasser und sanitären Einrichtungen.

Some companies, like the Pruthba Yasudha agricultural cooperative and the Pruthba Syntex textile factory in the Indian state of Gujarat, are trying to take a different path with the support of the NGO Fairtrade. In the Fairtrade system, the companies and cooperatives receive, among other benefits, a Fairtrade premium amounting to up to 10% of the sales price. A democratically elected committee decides which social, ecological or economic projects to invest in. The money is used to finance community projects, e.g. to improve health care, sanitation, access to education and access to clean water.

**Radheshyam Munnal Makwana
Producer**

Radheshyam pflegt seit 31 Jahren Baumwolle an. Er besitzt drei Hektar, auf denen er Bio-Fairtrade-Baumwolle für die Kooperative Pruthba-Yasudha anbaut. Seine beiden Kinder werden bei der Schule besuchen, deren Bau mit der Fairtrade-Prämie finanziert wurde.

„Ich hoffe, dass sie eine gute Ausbildung bekommen, damit sie in Zukunft etwas werden. His children should be, was sie werden wollen.“

Radheshyam has been growing cotton for 31 years. He owns three hectares on which he grows organic Fairtrade cotton for the Pruthba-Yasudha cooperative. His two children will soon attend the school whose construction was financed with the fair-trade premium.

“I hope that they get a good education so that they can be something in the future. His have not made any decisions for them yet. It depends on what they want to become.”

**Suman Badi
Producer**

Suman wurde nach ihrer Hochzeit Knechtlerin für die Pruthba-Yasudha-Kooperative. Inzwischen ist der Fairtrade-Prämie finanziert wurde, bekommen ihre Kinder eine gute Ausbildung.

„Wenn weniger Geldern erhalten werden und die sich weiterzubilden können, ist das gut für die Eltern. Wir denken, dass unsere Kinder gut lernen und in der Zukunft Erfolg haben sollten.“

After her marriage, Suman became a knitter with the Pruthba-Yasudha cooperative. She also financed by the fair-trade premium, her children are getting a good education.

“If there are less fees and children get a better education, they can grow and their parents feel good in future.”

Durch die Fairtrade-Praktiken haben sie auch Zugang zu Schulungen,
